

LEARNING AGREEMENT

The Learning Agreement has the aim of making the learning experience in the Erasmus Mundus mobility more transparent for the student and the Universities involved and to allow for the transfer of learning experiences between the two institutions. Since it is approved by both the Home and Host Universities, it will facilitate the recognition of the student's academic work carried out abroad.

This Learning Agreement must be fully defined and signed before the start of the mobility and can be updated later during the exchange if the student and the two Universities agree. The original must be kept by the Host University during the mobility and by the Home University after the return. A scanned copy of the approved agreement and its updates must be uploaded by each grantee in the personal profile in the AREAS+ online application database.
